Non-Racing POKER RUN

Want to participate in the regatta but do not want to race? We have an event for you! There will be no racing "start" and a few rules for safety. Each participating boat will sail to four "distributing" boats on the lake to pickup a card from each. The fifth card will be at the VISA dock. You are invited to join in the dinner and live music. The boat with the best poker hand will win the top prize of \$100, and there will be gift certificates for second and third places.

See blueridgeregatta.org for details and registration.

Deadline for Registration: April 13, 2026
